

NEW TRUSTEE, We welcome Ella O'Brien to our Board of Trustees. Ella says " I am thrilled to have been appointed as a new trustee! I am so impressed by everything I have seen so far – the level of professionalism and camaraderie across the organisation is fantastic. I work full time as a lawyer and I live in Warwick with my husband and two young children. I am really looking forward to meeting everyone and helping to make a positive difference in our local community!

"It is clear to see we are providing more than just food, we are providing a life-line to help our clients overcome the personal challenges that they are facing."

Trussell Brand Refresh

Some of the more eagle eyed of you may have noticed that we have a new logo and colour palette which is part of a wider brand refresh from Trussell. Trussell were successful in securing third party sponsorship which covered the cost of the refresh. We will start to change and update all our posters and leaflets over the course of the next 6 months so watch this space. If you have time and would like to know more about the brand refresh and the new strapline 'Ending hunger together' please do follow the link [Trussell](#)

citizens
advice South
Warwickshire

We are excited to introduce our new partnership with Citizens Advice South Warwickshire. Ellie, our dedicated caseworker, will be available at the foodbank to offer support and guidance, ensuring clients receive the necessary assistance with welfare benefits, debt, and housing matters.

We welcome Judith and Ricky as our new session leaders. Judith is new to the Foodbank and is running the session at St Mary's on Wednesdays. Ricky has been involved with the Foodbank for sometime in the warehouse and as a driver and volunteer and is now running our Saltisford session on a Friday.

We have had an amazing response to our Harvest appeal. So many local schools & companies have donated food this year. Our warehouse is beginning to fill up again after the summer. We are so very grateful as without this kind of support we couldn't help those in our community who are finding it difficult to make ends meet. Every single item donated makes a difference!

We are not talking about the 'C' word at the moment as its far too early but please check out our [Facebook](#) page and [Website](#) to see when we are open and more importantly closed over the festive period.

Our **Reverse Advent Calendar** will be available soon on [Facebook](#) why not use this in your workplace/organisation to collect our most wanted items during November and December.

Volunteer Vibes!

WD Foodbank relies on a team of amazing volunteers and talking of amazing—here's Robin, even on his 70th birthday he still did a supermarket collection for us !

Robin tells us how it all began.....

"I started volunteering at WD foodbank quite by accident when my church was asked if somebody could help pick up food donations from local supermarkets for Christmas 2019. My wife Carol volunteered and 'encouraged' me to come with her. When Covid hit I volunteered to do the pick-ups again. One thing led to another and I started to help unpack, shelve and re-pack ready to be picked up by clients at Lillington. I find it very rewarding meeting the people and seeing how appreciative they are at receiving a much needed lifeline at a low point in their life. I also do it because its fun to work alongside Miriam and the rest of the team who sometimes (most weeks) make me feel really important and let me make the tea"
